Important Information

Please be sure to read and accept the purpose of collecting personal information in [ANA Privacy Policy] before proceeding.

[Customers using international flights]

When changing or requesting refunds for all sectors at the same time

When handling fees are the same for all sectors

The handling fee for one sector will apply (the handling fees for all sectors will not be combined).

When handling fees differ by sector

Reservation Changes,Refund

The strictest conditions and highest handling fee will apply.

[Customers using Japan domestic flights]

Please check Rules for Changes and Refunds for Japan Domestic Flights.

Depending on the country and itinerary, the handling fees for changes,cancellations stipulated in the relevant fare rules may be subject to separate taxation.

When a fare was switched to a different fare, penalty/cancellation fees apply to the strictest rule. It does not matter if the itinerary is before or after departure.

Please see Information on Baggage for details on the additional free baggage allowance for ANA Premium Members and Star Alliance Gold Members.
The terminal at the departure and arrival airports may change up to the departure date. Please check the terminals for your flight before departure.
ANA Diamond Service Members may be able to apply for double upgrade points even when it is indicated that upgrades are not available. Please click the [Request/Cancel an upgrade] button to confirm.
Depending on your country of destination, transit, and/or nationality, visa(s) or other travel document(s) may be required. When connecting from an international flight to another international flight, immigration procedures are required when moving between airports at the transit location. It is the passenger's responsibility to check and arrange if such visa(s)/travel document(s) are necessary.
*For passengers holding Chinese nationality: please be especially careful if you are entering Japan for transit. Click Notice to Passengers Holding Chinese Nationality Transiting in Japan for details.
