Flight schedule changes

Flight numbers and departure times can change at any time. It's your responsibility to keep yourself informed of this. You can check your updated flight schedule on the airline's website. We also strongly recommend that you check in online 24 hours prior to your departure to receive updated information on your flight schedule.

Name is shown incomplete on your E-ticket

E-tickets have limited character space in the name field. To ensure your surname is not cut off, your middle name is sometimes only partly shown or omitted. You can check in online with this E-ticket on the airline's website and use it for travel.
